

THE TEN COMMANDMENTS

The Ten Commandments are under attack by the judiciary, and the government of the United States. They are making a concerted effort to destroy the moral fiber of the citizens of the United States making us a nation as corrupt morally as the ancient Babylonian Empire or the Roman Empire. Both of these ancient civilizations were filled with adultery, and sin of every sort. They worshipped the flesh just like the U.S. is doing today.

Is it any wonder that all of the agencies desire to have any reference to the Ten Commandments removed from all public buildings. Is it any wonder that the television stations are showing soft porn to our children when they come home from school?

Look at the life style that is portrayed on the television.

- Adultery
- Fornication
- Lust of the eyes
- Pride of Life
- Lust of the flesh
- Covetous desire of your neighbor
- Love of money

All of these lead to a lifestyle that is prevalent in the United States today. A lifestyle that worships the flesh, wealth, sex, while at the same time leaving God completely out of the picture. The government does not want a

moral upright citizenry, but a population that they can control through fear. They want you to be living in sin so that you have something that they can hold over you. They want you to live in fear of being caught in your own particular sin.

You may think that I am completely off my rocker by the above statements, but compare the television of the 1960's and today. In the 1960's there was a television code that all of the stations subscribed to. Today there is no code and the shows of today portray what used to be called soft porn with all of the sex out in the open.

The only people that the government cannot control are the ones who are living according to the Ten Commandments. The upright and moral citizen has nothing to hide and thus has nothing to fear. I have no proof, but I believe that there is some agency of the government that is encouraging the television stations to portray the baser sort of life. They want to portray open sex, homosexuality, adultery, fornication and all of the rest as normal. They want to show that there is no such thing as sin and that sin is an "old fashioned" idea whose time has expired.

Why do you think that the schools are allowed to teach any ism, but they will not teach Christian principals. Why do you think that the schools teach Hinduism, Shintoism, Buddhism, Muslim, and others. Some of these religions promote a lascivious lifestyle while oth-

The Ten Commandments

1. I am the **LORD** thy God, which have brought thee out of the land of Egypt, out of the house of bondage. Thou shalt have no other gods before me.
2. Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth:
3. Thou shalt not take the name of the **LORD** thy God in vain; for the **LORD** will not hold him guiltless that taketh his name in vain.
4. Remember the sabbath day, to keep it holy.
5. Honour thy father and thy mother: that thy days may be long upon the land which the **LORD** thy God giveth thee.
6. Thou shalt not kill.
7. Thou shalt not commit adultery.
8. Thou shalt not steal.
9. Thou shalt not bear false witness against thy neighbour.
10. Thou shalt not covet thy neighbour's house, thou shalt not covet thy neighbour's wife, nor his manservant, nor his maidservant, nor his ox, nor his ass, nor any thing that is thy neighbour's.

promote that you can be moral by your own power. None of these other religions say that you were born in sin and you need a savior. Some even promote suicide as a way to get to heaven. A born again moral Christian who has his allegiance to Jesus Christ is not a citizen that the government is looking for today. They are looking for a citizen who is totally devoted to the state and will allow the state to do anything that they want. Whereas the Christian on the other hand sees the sins of the state and points them out.

Look how former President Clinton is adored and loved for all of his lascivious behavior. Where is the moral outrage that should have been? When the schools teach that fornication and adultery is the normal way of life, is it any wonder that the majority of citizens of the United States adore a president who has sex in the oval office? When schools encourage the children to fornicate by handing out condoms, offering free birth control, and counseling to the children telling them that having premarital sex is normal. All of the evil influence that our children confront compel them to live a life of sin. Our sons and daughters are encouraged to have sex while on dates. I have seen 15-16 year old pregnant girls in Kensington. These girls sometimes do not even know who the father is. They live a promiscuous lifestyle where many have multiple sex partners. All of this is caused by the influence of the television along with what they are taught in school.

The message is not an explicit message where the children are told to have sex, but it is a subliminal message where they are given a message that sex is the ultimate fun and pleasure in life. This message is portrayed daily on the television and when the students are offered free condoms, what other message can you expect the children to receive?

I see the United States going the same way that all of the ancient civilizations went when they lost their moral fiber and went the way of the flesh.

1 John 2:15-18

15 Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him.

16 For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world.

17 And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever.

18 Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time.

Everything that John mentions is causing the demise of the United States. We see a nation that has lost its moral fiber and is chasing after all of the lusts that it can find. We see a nation that officially does everything in its power to hide the Ten Commandments from the population. We see a nation that seems to be at war against the born again Christian who has given his allegiance to Jesus Christ. We are seeing a nation that has totally prepared itself for the reign of the Antichrist.

A nation who has rejected the commandments of God cannot expect to survive. Choose today whose side are you on.

Joshua 24:15

15 And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will

serve the LORD.

In this day and age where we see a moral decay we need to align ourselves to the Lord Jesus Christ. We need to be totally believing and living the life that he would have us to live. If you are a Christian print the page containing the Ten Commandments and hang them up where your family can see them. Read them daily and ask yourself, "Am I living the way that Christ would have me to live."
