

A GLOBAL WAR

The war on terror is not a war against scattered groups of individuals but is a war against group of allies who are united upon the destruction of Israel, Judaism, and all who believe in any form of freedom of religion except their form of Islam. They have declared war on Europe, Russia, Israel, and the United States. They see any nation who recognizes Israel as their enemy.

Though I see the news media as making it seem that the terrorists are separate bands of fugitives, I am becoming more convinced that all of the groups have a supreme allied commander who is in charge. This commander could be in Saudi Arabia or Iran. This is a gorilla war where we do not know who is the enemy; just as in Viet Nam the soldiers did not know who was part of the Viet Cong. A friend of mine told me about a sapper who was crawling through the concertina wire one night surrounding their camp. After they shot him they found out the next morning that the sapper was the camp's barber.

Fighting a gorilla war where the enemy is concealed and hidden within the population is one of the hardest wars to fight. The leadership and the command structure of the gorillas is also hidden. Look at the following articles where Jordan, France, and Belgium are all attacked in the same week. Whereas the newspaper calls the attacks in Belgium as copycat attacks, I think that there is a central organization orchestrating everything.

I am beginning to think that Islamic preachers are in the chain of command. They are the ones who do the recruiting and refer the most radical and dedicated up the chain for further training. Each mosque has its own organization, with those showing certain abilities are promoted. It is the Islamic preachers who are the front-line leaders. Each mosque has its own method of communication and control thus preventing a cracking of a central code. If one mosque's code is cracked, the others will not be effected.

The definition of imam is:

1. Among the Mohammedans, a minister or priest who performs the regular service of the mosque.
2. A Mohammedan prince who, as a successor of Mohammed, unites in his person supreme spiritual and temporal power.
3. (Islam) the man who leads prayers in a mosque; for Shiites an imam is a recognized authority on Islamic theology and law and a spiritual guide.

Each imam is communicated to by an individual means without a central coding system which could eventually be broken. This decentralized command structure is very effective in a gorilla operation. If one faction is either cap-

tured or destroyed, only the elements related to that element are jeopardized. Even the top echelons do not have the details on what targets are lined up to be hit. So even if one of the top leaders of the movement is captured, there is minimal damage to the command and control structure. When one of the lieutenants of Osama Bin Laden was captured, his knowledge of future targets was really minimal. Thus the information gained by the capture of anyone is minimal.

In comparison to a military operations like those in World War II, where there is a front line with a centralized command structure on both sides, the capture of any officer yields a wealth of information. This is the opposite of what is going on today. The decentralized command structure of radical Islam makes intelligence gathering virtually impossible. Each imam has control over his own flock. This is the same kind of command structure of the majority of Christian churches where each pastor is responsible for the teaching and training of their own congregation. The difference is that the imams are telling their people that the murder and destruction of Jews and Christians is the will of Allah.

The war on terrorism is a global war where the radical Islamists have declared war on all Christian nations, Israel, and every nation that offers freedom of religion. The nations need to unite with Israel to fight this war effectively. With each nation trying to defend itself against a global attack by the radical Islamists, means each nation will eventually fail trying to defend itself. The nations of the world need to unite with Israel in this fight.

Such a coalition of nations seems highly unlikely considering the political climate. Many do not want to align themselves with God's chosen people Israel. Many of the politicians

do not want to offend the Muslim community in their own countries. This concern will lead to their own demise, for failure to unite and stand with Israel will cause them to align with those who are seeking the demise of Israel.

Last week I told you about Iran's president calling for the destruction of Israel, and now we are seeing the result of his comments in Jordan. Jordan was attacked this week for their part in making peace with Israel. The political pressure is on the Jordanian government to revoke the peace treaty with Israel.

I see the alignment of nations described in Revelation to march against Israel. The day of Armageddon is coming sooner than the world thinks.

Revelation 16:1-21

1 And I heard a great voice out of the temple saying to the seven angels, Go your ways, and pour out the vials of the wrath of God upon the earth.

2 And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and upon them which worshipped his image.

3 And the second angel poured out his vial upon the sea; and it became as the blood of a dead man: and every living soul died in the sea.

4 And the third angel poured out his vial upon the rivers and fountains of waters; and they became blood.

5 And I heard the angel of the waters say, Thou art righteous, O Lord, which art, and wast, and shalt be, because thou hast judged thus.

6 For they have shed the blood of saints and prophets, and thou hast given them blood to

drink; for they are worthy.

7 And I heard another out of the altar say, Even so, Lord God Almighty, true and righteous are thy judgments.

8 And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire.

9 And men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues: and they repented not to give him glory.

10 And the fifth angel poured out his vial upon the seat of the beast; and his kingdom was full of darkness; and they gnawed their tongues for pain,

11 And blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds.

12 And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared.

13 And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.

14 For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.

15 Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame.

16 And he gathered them together into a place called in the Hebrew tongue Armageddon.

17 And the seventh angel poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, It is done.

18 And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the

earth, so mighty an earthquake, and so great.

19 And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath.

20 And every island fled away, and the mountains were not found.

21 And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great.

The nations of the world will have to decide whether to unite with Israel or Islam. I think that Israel will be the only nation who will really stand up to the radical Islamists and fight. God is on Israel's side, and anyone who is against Israel will find themselves fighting the Lord God Almighty.

Look at the United States who is afraid to declare war against the real terrorists. Iran has declared war against us and our response was nothing! This is World War III and the nations of the world will find themselves fighting God. When any nation fights God, they lose! Look at all of the nations who tried to fight God and are still standing. The USSR openly attacked God and they have passed away. The U.S. is finding themselves weaker every year. France, along with the rest of Europe, has rejected God and they are losing.

The only hope for the Christian is to pray for Israel. The Christian needs to be a Zionist in heart. Israel is God's chosen nation, and God has shown his favor throughout history. If you are on God's side, you are on Israel's side.
