

SELLING A LIFE OF SIN

Last night Rita and I were having dinner at a restaurant where we overheard two women at the next table discussing a job opportunity. The one woman was saying that earning just \$11.00 an hour was not enough to make ends meet. She went on about the various expenses that an individual has to spend every week. The job that she was offering the other woman paid \$25.00 per hour to start. She mentioned all of the marvelous benefits of this fine position.

The job that she was selling the other woman was becoming a stripper. She was telling her client that as a stripper all she would have to do was dance and socialize all night. She also mentioned that she would not have to work as many hours to make ends meet.

I noticed that she was using the same demonic tactics that Satan used upon Eve in the Garden of Eden.

Genesis 3:1-7

1 Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?

2 And the woman said unto the serpent, We may eat of the fruit of the trees of the garden:

3 But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die.

4 And the serpent said unto the woman, Ye shall not surely die:

5 For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.

6 And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.

7 And the eyes of them both were opened, and they knew that they were naked; and they sewed fig leaves together, and made themselves aprons.

Let's compare what I heard last night with the method that Satan used on Eve.

- First they both questioned the client's current situation
- Satan questioned about what was allowed to

be eaten while the woman who was selling the idea of becoming a stripper questioned about the woman's current financial situation.

- Both made the client doubt the consequences of changing their current situation.

Satan made Eve doubt that by eating the Tree of Knowledge she would die, while the woman told the client that being a stripper was an easy job with no stress and all she had to do was socialize all night long.

Both of these are lies! Strippers associate with a bunch of losers who do not have or do not want to spend their evenings at home with their wife. Also there is a lot of stress and shame for the stripper!

- The final phase of selling is stressing the benefits of making the change.

Eve was told that by eating the fruit of the Tree of Knowledge that she would become wise. Eve would know what is right and wrong. She desired to have this knowledge.

The woman recruiting a stripper stressed the great financial opportunity that becoming a stripper will have. Look at how she will be able to shop without a care about what an item costs. She will be able to go to the finest shops without worrying about how much she is spending.

All of these “benefits” are half truths! While eating the fruit of the Tree of Knowledge would make one wise, the down side is the stress, shame and fear that

eating of the fruit brought. The new stripper finds that she now has a lot of stress keeping her new job a secret from her family. She is ashamed of her life and lives in fear of being found out.

Satan and the sinner are continually selling sin. The Supreme Court ruled this past week to uphold a law passed in 2003 banning partial birth abortions. House Speaker Nancy Pelosi said, “Criminalizing doctors for performing medically necessary procedures to save a woman's life or protect her health is wrong. The Court's decision is a significant step backwards.”¹ Satan's advocates are telling us that executing a half born child is not murder.

To hear the pro-abortion people you would think that the mother's health and life were at risk. This is not the case when a child is half delivered leaving the skull in the womb and then crushing the skull thus murdering the new born baby.

Nancy Pelosi is one of Satan's agents telling us that murdering a newborn is not murder!
