

IRAN TAKES OVER IRAQ

The current talk of an immediate pullout of Iraq terrifies a number of Iraqis who view the Iranian Islamic regime worse than Saddam Hussein. Though he was a dictator, there was still freedom to worship as you chose. With Iran in charge, only Iran's method of Islam would be authorized.

“The statement by Iran’s President Mahmoud Ahmadinejad to fill any vacuum left over in Iraq due to a prompt U.S. withdrawal has angered and terrified many Iraqis.”¹ The Democrats seem totally bent on an immediate troop withdrawal like the pullout in Vietnam which caused the murder of many. Iran will do the same to the people of Iraq as North Vietnam and Cambodia did to South Vietnam in the early 70's. Before exodus of US troops there will be an exodus of Iraqi citizens who have the money and power to leave Iraq.

I remember the panic in South Vietnam when the last US troops left. Do you remember the news showing the butcher of South Vietnamese citizens upon the exodus of the United States? Are you prepared to see the rise of the kings of the east cross over the Euphrates River in preparation for their attack on Israel? What is happening today in the news could begin the battle of Armageddon.

Iran's President Mahmoud Ahmadinejad has already told the world that it is his intent to initiate Armageddon. He also has told us that he will fill the vacuum left by the US troop withdrawal. Here is a man who is telling the world of his plans and aspirations and the world has their eyes closed just as they did when Adolph Hitler told the world what he was going to do. We are seeing the start of Armageddon and the world has their eyes closed.

Revelation 16:12-16

12 And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared.

13 And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.

14 For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.

15 Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame.

16 And he gathered them together into a place called in the Hebrew tongue Armageddon.

I see the approach of a full US troop pullout of Iraq that will eventually lead to World War III. The world has their eyes closed to what is really happening in the world. The news media is only concerned with the instantaneous reporting and does not delve too deeply into the ramifications of the actions that they are proposing. Like the troop pullout in Vietnam brought horror to a whole area, the news media never admitted that they could have been instrumental for the slaughter of millions.

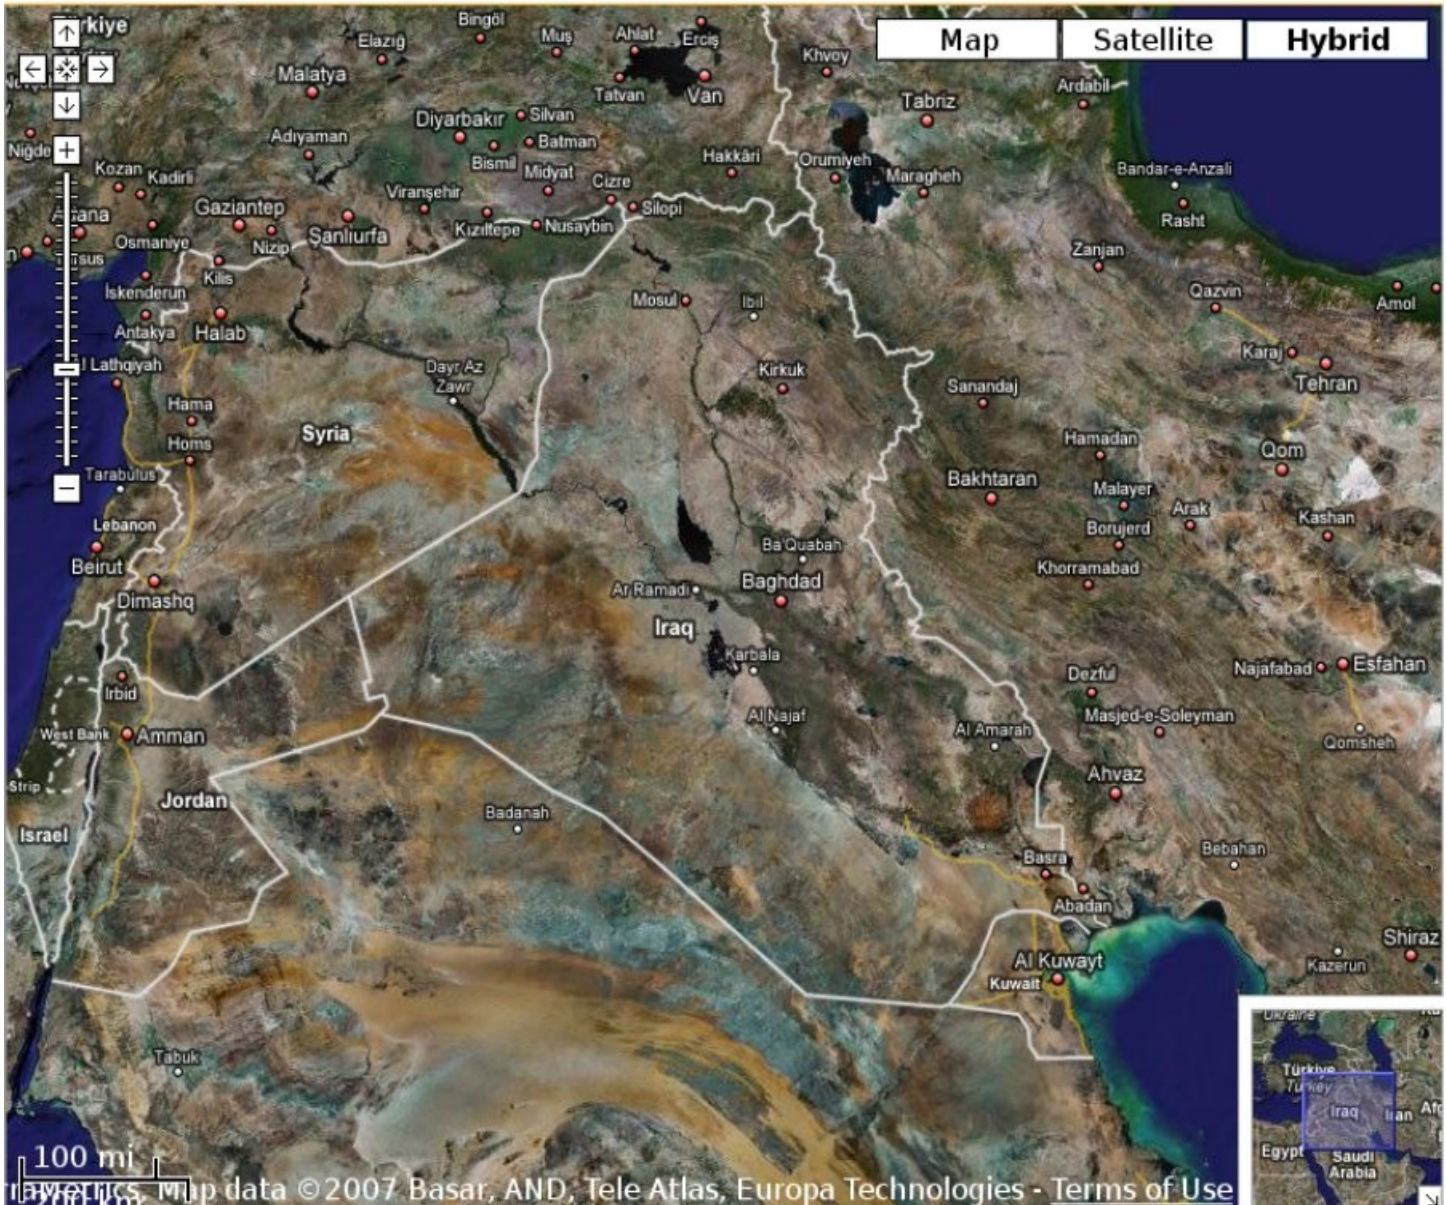

When Iran marches into and conquers Iraq the news media will bemoan the slaughter of millions but will not admit any fault in causing the slaughter. They will blame everyone but themselves for the debacle.

When you look at a map of the Middle East, Iraq is between Jordan, Syria, and Iran. If Iran

conquers Iraq, it would be very easy for Iran to attack Israel through Syria. Examine the hybrid satellite image below and when you see Iran filling the vacuum left by the US troop pullout of Iraq, do not be surprised when Iran and Syria launch an

attack against Jordan.
