Morning Report: Even the porn industry wants a bailout

By Don McKee

INQUIRER STAFF WRITER

Finally, in this era of unprecedented government bailouts, there is an industry worthy of our tax dollars.

In a story that no sportswriter could invent, CNN last night reported that another major American industry is asking for assistance as the global financial crisis unfolds.

Hustler publisher Larry Flynt and Girls Gone Wild CEO Joe Francis said yesterday they will request that Congress allocate \$5 billion for a bailout of the adult entertainment industry

America has slipped so far into the abyss of sin and degradation that they even accept the porn industry asking for a bailout!

America is the modern Sodom and Gomorrah that will accept a bailout of their beloved porn industry.

Downfall of a Wicked Society

2 Peter 3:1-12

1 This second epistle, beloved, I now write unto you; in both which I stir up your pure minds by way of remembrance:

2 That ye may be mindful of the words which were spoken before by the holy prophets, and of the commandment of us the apostles of the Lord and Saviour:

3 Knowing this first, that there shall come in the last days scoffers, walking after their own lusts,

4 And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation.

5 For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water:

6 Whereby the world that then was, being overflowed with water, perished:

7 But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men.

8 But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.

9 The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.

10 But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.

Signs of the Times

Look at what our society honors and praises. We honor wealth, money, and pride ourselves with the accumulation of such. Look at how society honors those who participate in the porn industry. Look at how Nancy Sinatra was honored when she posed for Playboy.

We are a society that craves the lust of the flesh and the pride of life. We have forsaken all of our Christian heritage for a lump of fool's gold.

Money is now the supreme god of our society. It is logical to see that the collapse of our financial system is at hand. The money god of America is falling and there is nothing that Congress can do to save it!

Love not the World

1 John 2:15-17

15 Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him.

16 For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world.

17 And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever.

1 Timothy 6:10

10 For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.
